In such cases, the supporting institution may, with permission of the Executive, highlight their support for ABWAK in their own publications. However, where such institutional support is not provided the institution cannot benefit from their employee's association with the good name of ABWAK.

18.6 Council members are expected to commit personal time (or institutional time if so provided) to the furtherance of the Association's aims and objectives – and this is expected to be a minimum of 6 days a year. Some of the roles within Council (e.g. Chair/Co-Chair, Vice Chair, Editor, Membership Secretary and ICZ require more time committed to them).

19.3 Council has the authority, subject to budget and approval via the AGM to employ someone to enable operation of the Association if it can be shown that such an appointment furthers the achievement of its aims and objectives and does not represent undue risk to the future of the Association.
